BREATHTAKING ALASKA

Since 1980, Siouxland Travel & Tours has been organizing and leading custom group tours all over the world. Join us in 2022 as we explore some of Alaska's most magnificent must see destinations and hidden treasures. With its breathtaking coastline carved by massive tidewater glaciers over thousands of years, iconic wildlife in their natural habitats, and a fascinating native culture, this Great Land will amaze, engage and delight you. We start our tour in the beautiful international city of Vancouver before setting sail on our seven day northbound cruise on Holland America's *ms Noordam*. An elegant mid-sized ship designed not to tower over the scenery, but to bring you closer to Alaska's natural wonders—from calving glaciers to breaching humpback whales. Following the cruise, we will spend three nights on land as we head deep into the heart of Denali National Park and Preserve, the jewel in Alaska's crown. At six million pristine acres, the Park is home to moose, caribou, mountain sheep, grizzly bears and North America's highest peak, Mt. Denali, more than 20,000 feet high. This is the ultimate Alaskan Vacation you will never forget!

WEDNESDAY, JUNE 29

Our next stop is Juneau, one of the most remote and beautiful state capitals, entirely surrounded by water. Juneau is known as the gateway to some of Alaska's most magnificent wilderness areas. Popular shore excursions include whale watching, exploring nearby Mendenhall Glacier, taking a dog sled ride, or trying your hand at fly fishing. (B,L,D)

THURSDAY, JUNE 30

Skagway once served as the primary gateway to the legendary gold fields, and quickly grew into Alaska's largest settlement. Today it has been reinvigorated for the visitor who wants to explore Alaska's colorful history, pristine wildlife, and unrivaled natural beauty. Famous for the White Pass & Yukon Route Railroad, a classic narrow-gauge railway that traverses rugged mountains passes and cascading waterfalls as it connects Skagway to Whitehorse deep in the Yukon. This is a fascinating port of call with a lot to explore. (B,L,D)
