BREATHTAKING ALASKA

Since 1980, Siouxland Travel & Tours has been organizing and leading custom group tours all over the world. Join us in 2022 as we explore some of Alaska's most magnificent must see destinations and hidden treasures. With its breathtaking coastline carved by massive tidewater glaciers over thousands of years, iconic wildlife in their natural habitats, and a fascinating native culture, this Great Land will amaze, engage and delight you. We will spend seven nights on land as we visit beautiful Whittier, where we will cruise spectacular Prince William Sound and enjoy the vast glaciers and wildlife. We will visit Anchorage, the quaint town of Talkeetna, and then head deep into the heart of Denali National Park and Preserve, the jewel in Alaska's crown. At six million pristine acres, the Park is home to moose, caribou, mountain sheep, grizzly bears and North America's highest peak, Mt. Denali, more than 20,000 feet high. To top things off, we will also be taking the iconic Katmai Bear Viewing tour. This is the ultimate Alaskan Vacation you will never forget!
